## Greatest Master Of Steel Construction

CHARLES M. SCHWAB.

BERLIN, April 21.—Charles M. Schwab, accompanied by C. R. Flint of New York, will arrive in Russia tomorrow to complete negotiations with the Russian government for large orders for warships, armament and munitions. The negotiations contemplate the creation of practically a new Russian navy and involve \$100,000,000. The orders will be distributed to all the leading shipyards, gun works and steel mills of America to facilitate their completion.

Schwab, who is considered in Russia the greatest master of steel construction in the world, will serve in the capacity of general overseer of the huge building programme. Flint will have charge of the financial arrangements. The contracts will provide that much of the construction will be done in Russia, only the material and some of the skilled labor coming from America.

Two facts have induced Russia to intrust this transaction to Americans—the geographical isolation of the United States which reduces to a minimum the possibility of Russian war materials being tied up in the event of serious European complications within the next five years and the anti-British sentiments prevailing at St. Petersburg which have determined Russian statesmen no longer to turn Russian orders over to England.

## BENEFIT SOCIETY WINS ITS CASE

JUDGE LINDSAY GIVES A DECISION IN ITS FAVOR FOR ONE THOUSAND DOLLARS.

Judge Lindsay on Saturday rendered a decision for the plaintiff in the suit of the Portuguese Mutual Benefit Society of Hawaii vs. Mary Ann Kahanamakah. The defendant had mortgaged real estate to obtain a loan of \$1,000 on a promissory note and gave the money to her son-in-law Harrison. To buy a horse and hack under his promise of repayment in one year. Part of the defense was that defendant had mortgaged her real property without consent to her husband, contrary to the statute in that regard, hence both the note and mortgage were void. The court, after reviewing the case, finds as follows:

"From the evidence adduced the court is convinced that the loan was not made to Harrison but to the defendant, and the mere fact that she almost immediately turned the amount over to Harrison can make no difference. The present suit is not upon the mortgage, but is upon a note for which the mortgage was security. Even if the mortgage is void and the specific security destroyed, the note is still valid and falls within the class of contracts which a married woman under our statutes may make. Judgment is hereby given for the plaintiff as prayed for, with costs of court and attorney's commissions. Jury was waived. Antonio Perry for plaintiff, and Castle & Wilkinson for defendant.

### DAVIS GOT NO FEE.

Judge Lindsay dismissed a rule for examination of judgment debtor in the suit of J. F. Hughes vs. N. P. Jacobson, in which an unsatisfied execution for nearly \$600 outstanding. A paper was filed in which the plaintiff stated that the proceedings were taken against his wishes and without his direction. This was in typewriting. Another paper declared that George A. Davis was attorney of record for him and was not paid his statutory fee nor any fees in the case. Davis noted an appeal to the Supreme Court from the order dismissing the rule.

## BOARD MAY SUE THE TERRITORY

A CONTROVERSY OVER THE RELIGIOUS TEACHING AT LAHAINA-LUNA SEMINARY.

The question of religious teaching at Lahainaluna was taken up on Saturday by Governor Carter, in a conference with W. O. Smith, W. R. Castle, G. P. Castle, F. J. Lawrey and Deputy Attorney General Prosser. The visitors were present as representatives of the American Board of Hawaiian Board of Missions, which will probably have a claim of \$15,000 against the territory. The site of Lahainaluna was turned over to the Kingdom of Hawaii many years ago, on an agreement that if it should ever be used for the teaching of any religion except that of the missionary fathers the property should revert to the board, or a penalty of \$15,000 should be paid. It was claimed that the conditions had been violated. Prosser did not agree with this view. The board was invited to bring a suit against the Territory for the amount, and this course may be followed.

### THE COUNTY LITIGATION.

Governor Carter had a conference on Saturday with Henry E. Highton, Attorney General Andrews and Attorneys Cooper and Stewart, regarding the proposed county act test case. The governor expressed the view that the matter should be settled by a direct submission to the Supreme Court and Stewart stated that if this course was to be followed he would withdraw. His withdrawal was accepted. It was arranged that Highton should prepare the statement of facts and issues for submission and submit it to Cooper, who will proceed under it if he regards it as satisfactory.

### JAPANESE DIVORCE.

Judge Lindsay granted a decree of divorce to Fuji Kagawa against Takiko Kagawa on default of libellee. The alleged ground was extreme cruelty.

### AH HO ACQUITTED.

Ah Ho was tried on Saturday without a jury on his indictment for selling raw without a license. Judge De Bolt found him not guilty. Deputy Attorney General Peters prosecuted, and Holmes & Stanley defended.
